Ravi Raghavendra G S

BCA Graduate

As a recent graduate with a Bachelor's Degree in Computer Applications (BCA), I am eager to leverage my theoretical knowledge and practical skills in a professional setting. Passionate about web development, I have completed several hands-on projects, including a comprehensive Dairy Serve Management System. I am keen to contribute to innovative web development projects and collaborate with dynamic teams to drive success.

`Web Development` `Basic C# & C`
`Basic statistics & R Programming` `Google Sites`
`Microsoft Office Suite` `Git & Github`

PROJECTS

Dairy Serve Management System (01/2024 - 06/2024) ↗
- Technologies Used: HTML, CSS, Bootstrap, PHP & MySQL
- Description: Developed a comprehensive system for managing dairy operations, including modules for farmer details, staff details, daily data entry, billing, and product management.
- Key Features: Implemented user registration and login functionality with different privileges (admin, staff, buyers). Integrated payment gateway (Razorpay) for online transactions. Developed dynamic dashboards for farmers and staff using Bootstrap.

Website Hosted and Designed Using Google Sites (12/2022)
- Created website using Google Sites. (Link For Preview↗)
- It Contains BCA Resources and Added Google Analytics to Track
